

Red Card (feat. Skepta, Jammer, JME & Shorty)

Frisco

Mana outside
Everything live
Mana on job
Mana got vibes
Dunno who said
We ain't the greatest
Mention Grime
We are the baitest
Mana got a ?

Kill an MC then go to my yard (go to my yard)
And if you act too hard then that's a red card

Verse 1: Skepta

I can make a new business plan
I can round up a hundred niggas in the trenches
Going against me that's stupid
Beef with me is expensive
I hope you trust in your friendships
Your gonna need a full clip, suin extended
No I am not father
If I gotta put him in care, know that's suin intensive
Mana go 0-100
Man's so passive aggr?ssive
Pull up outside in something off?nsive
I do not care what the ends is
Fuck who's in fashion
I do not care what the trend is
I step on the stage its murder
BBK might headline the festival got the fans jumping the fences

Verse 2: Jammer

Everytime I went in
Man went hard
Everytime I stepped in
Man stepped hard (step in)
Doing this thing from the start
