

Be My Girl

New Kids On the Block

Girl, I think it's time
That I let you know
'Bout the way I really feel
I just can't wait no more Be my baby
Be my girl
Be my girl I want to be the one
That steals your heart away
I want to hold you in my arms
And fill you with all my charms Be my baby
Be my girl
Be my girl
Baby I love it when were walking
Darling I love it when were talking
When you touch my hand
You brighten up my day
No one else can make me feel
Oh this special way Be my baby
Be my girl
(Be my girl) Baby I love it when were walking
Darling I love it when were talking Be my baby
Be my girl
Be my girl
Yeah
Be my girl
Be my girl
Be my girl
Girl it's for real
All this love that I feel Girl, I think it's time
That I let you know
'Bout the way I really feel
I just can't wait no more Be my baby
Be my girl Be my girl
Be my girl
Be my girl
Oh yeah
Be my girl
Be my girl
Be my girl Won't you be my girl
Be my girl
Be my girl
Oh yeah
Be my girl

Be my girl

Be my girl...
