

# Where Do I Go from Here

## New Kids On the Block

Where do I go from here? Do I tell you I still love you?  
And where do I go from here? Do I tell you I still miss you?  
Can't you see you're a part of me? Don't you know I can't let you go?  
My problems are few when I'm with you, what should I do?  
I don't know, I don't know Where do I go from here? Do I tell you I still love you?  
Where do I go from here? Do I tell you I still miss you?  
Picture me, not loving you  
Picture you, what you're going through  
My problems are few when I'm with you, what should I do?  
I don't know, I don't know Where do I go from here? Do I tell you I still love you?  
And where do I go from here? Do I tell you I still miss you?  
Where do I go, where do I go from here?  
Where do I go, where do I go from here?  
Tell me, do I tell you that I love you?  
Tell me, do I tell you that I need you?  
Where do I go from here?  
Tell me, do I tell you that I love you?  
Tell me, do I tell you that I need you?  
Where do I go from here?
