

# Good

## Sonny Digital

Got everything I need, Hennessy and weed  
Bitches, they're for me  
Now pass me a cup, yeah you know what's up  
We just wanna fuck on these bitches  
But I don't want too much, I just want enough  
For me and my niggas  
Now I've done had enough, I've done had too much  
Of that liquor  
That's why I told you like this I don't really want too much  
I don't really need too much, from you  
I don't want a little bit  
Cause I know what it's gon' do  
So lil' baby I'm good  
So lil' baby I'm good  
I don't want none of that shit I don't really want too much to drink right now  
More money, more problems, gotta think right now  
Shit been lookin' too different, every time I blink right now  
Fuck niggas, fuck bitches, tell me what you think right now  
Same niggas that I started with be the same ones that I finish with  
Aye fuck these lame ass bitches, the same ass bitches  
Your mama and your daddy should be ashamed ass bitches I don't want no more of that  
I don't need no more of that  
I've done had enough  
I've done had enough of that drink  
Fuck that shit, I'ma drink some more  
Where my thoughts? I don't even know  
Money fast but I'm movin' slow  
Bitch I'm the man, you already know  
But nobody get him  
They think I'm talkin' way too much  
But too many drinks all in my system
