

# Cursed

Vivian Green

I? m cursed with loving you, baby  
It hurts 'cause you? ll never know it  
I was put here to hopelessly love you  
But you ain? t thinking 'bout me  
That? s the torture I go throughI? m cursed with loving you, baby  
It hurts 'cause you? ll never know it  
I was put here to hopelessly love you  
But you ain? t thinking 'bout me  
That? s the torture I go throughBeen a long, long time now  
And I? ve been trying to get you out of my head  
Of my heart, of my whole damn soul  
This love is still lingering, it? s getting old  
But it ain? t dying, it's not even trying  
And I can? t fight it, I just bury it at the bottom  
Hoping you might find you were my love  
You were my first and now this love is just a curse, oh yeahI? m cursed with loving you, baby  
It hurts 'cause you? ll never know it  
I was put here to hopelessly love you  
But you ain? t thinking 'bout me  
That? s the torture I go throughI? m cursed with loving you, baby  
It hurts 'cause you? ll never know it  
I was put here to hopelessly love you  
But you ain? t thinking 'bout me  
That? s the torture I go through  
Don? t know why I even call  
Thinking our time has come again  
'Cause the first time wasn? t right  
No, we were too young  
I was too serious, you wanted to have funAnd now I look at us and see how good it could be  
If we could only get pass the past  
And see that the love we had was rare  
If we try it could lastI? m cursed with loving you, baby  
It hurts 'cause you? ll never know it  
I was put here to hopelessly love you  
But you ain? t thinking 'bout me  
That? s the torture I go throughI? m cursed with loving you, baby  
It hurts 'cause you? ll never know it  
I was put here to hopelessly love you  
But you ain? t thinking 'bout me  
That? s the torture I go throughI'll be always loving you  
I'll be always loving you  
No matter what, no where

Always care for you I'm cursed with loving you, baby  
It hurts 'cause you? I'll never know it  
I was put here to hopelessly love you  
But you ain't thinking 'bout me  
That's the torture I go through I'm cursed with loving you, baby  
It hurts 'cause you? I'll never know it  
I was put here to hopelessly love you  
But you ain't thinking 'bout me  
That's the torture I go through I'm cursed with loving you, baby  
It hurts 'cause you? I'll never know it  
I was put here to hopelessly love you  
You ain't thinking 'bout me  
That's the torture I go through I'm cursed with loving you, baby  
It hurts 'cause you? I'll never know it  
I was put here to hopelessly love you
