

# Double (feat. NLE Choppa)

## Smokepurpp

Brrt

Hey, Tony! I don't wanna fuck a single bitch, I want a double  
Bitch, I keep the piece like I came here with a puzzle (Grrt)  
If he actin' crazy, I'ma pop him like a bubble (Grrt)  
Bitch, I came to fuck, I did not come just to cuddle  
Bitch, I'm-Bitch, I'm smokin' dope up in yo mama livin' room  
See me in a ghost one time then you hear a zoom  
Nigga try to test me, whole town gonna hear a boom  
She just sucked my dick for three hours and she gon' resume  
My bitch like Madonna, maybe like Rihanna  
Niggas wanna try me, I don't think they wanna  
Plant 'em underground like a mothafuckin' farmer  
Guns all in my house, got me feelin' like Osama  
I got mob ties, got me feelin' like Obama  
I just want a side bitch, I don't want no drama  
I know that's yo main bitch, you can meet her mama  
Bad lil bitch, she a nympho  
In the club, I just popped a half a benzo  
Bitch, we got Glocks with extendos

See you in yo hood, pop out the window (Brrt, brrt) I don't wanna fuck a single bitch, I want a  
double

Bitch, I keep the piece like I came here with a puzzle (Grrt)  
If he actin' crazy, I'ma pop him like a bubble (Grrt)  
Bitch, I came to fuck, I did not come just to cuddle (Whoa, whoa)  
Bitch, I'm-Bitch, I'm smokin' dope up in yo mama livin' room  
See me in a ghost one time then you hear a zoom (Zoom)  
Nigga try to test me, whole town gonna hear a boom  
She just sucked my dick for three hours and she gon' resume  
I got the Glock up in my lap with the Draco under the seat  
Bitch, we pulled up on your street then I put yo ass to sleep  
Just like LA Capone, my niggas, we playin' for keeps  
He was talkin' out his neck so I shot him in his teeth  
If you jump up in that water, best believe that shit deep  
Stickin' to code, no bendin' or breakin'  
The money keep callin', you not in the race  
This chain on my neck, I dare you to take it  
As soon as you reach, I cook 'em like bacon  
Got the glizzy on my hip, when I walk in, pull my pants down  
When I up, you better dip, gon' hear a hundred gun sounds  
Nigga, we ain't playin', get to sprayin', I'ma lay 'em down  
Free all my niggas, they be jailin' in that dog pound

Suppressors on my choppa, when I shoot, it don't make a sound I don't wanna fuck a single

bitch, I want a double  
Bitch, I keep the piece like I came here with a puzzle (Grrt)  
If he actin' crazy, I'ma pop him like a bubble (Grrt)  
Bitch, I came to fuck, I did not come just to cuddle  
Bitch, I'm-Bitch, I'm smokin' dope up in yo mama livin' room  
See me in a ghost one time then you hear a zoom  
Nigga try to test me, whole town gonna hear a boom  
She just sucked my dick for three hours and she gon' resume
