Foolish

Ashanti

See my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more
I keep on running back to you
See my days are cold without you
But I'm hurtin' while I'm with you
And though my heart can't take no more

I keep on running back to youBaby I don't know why ya treat me so bad You said you loved me, no one above me

And I was all you had
And though my heart is beating for ya
I can't stop crying
I don't know how

I allow you to treat me this way and still I staySee my days are cold without you But I'm hurtin' while I'm with you

And though my heart can't take no more

I keep on running back to you

See my days are cold without you

But I'm hurtin while I'm with youAnd though my heart can't take no more I keep on running back to youBaby I don't know why ya wanna do me wrong

See when I'm home, I'm all alone

And you are always gone And boy, you know I really love youI can't deny I can't see how you could bring me to so many tears

After all these years

See my days are cold without you

But I'm hurtin' while I'm with you

And though my heart can't take no more

I keep on running back to you

See my days are cold without you

But I'm hurtin' while I'm with you

And though my heart can't take no more

I keep on running back to you

Oohhhhh

I trusted you, I trusted you

So sad, so sad

What love will make you do

All the things that we accept

Be the things that we regret

Too all of my ladies (ladies) feel me

C'mon sing wit me

See, when I get the strength to leave you

Always tell me that you need me And I'm weak cause I believe you And I'm mad because I love you So I stop and think that may be You can learn to appreciate me Then it all remains the same that You ain't never gonna change (never gonna change, never gonna change) See my days are cold without you But I'm hurtin' while I'm with you And though my heart can't take no more

I keep on running back to youSee my days are cold without you

But I'm hurtin' while I'm with you

And though my heart can't take no more

I keep on running back to youBaby why you hurt me leave me and desert me

Boy I gave you all my heart And all you did was tear it up Looking out my window Knowing that I should go Even when I pack my bags

See something always hold me back
