

# Four Cornered Room

## War

Zoom zoom zoom  
Zoom zoom zoom, zoom zoom zoom  
Zoom zoom zoom  
Zoom zoom zoom, zoom zoom zoom As I sit in my four cornered room  
As I sit in my four cornered room I knew we met each other this morning for a reason  
Thinking, talking, we've worked out our problems  
Looked like we should have better days in front  
Just because we took our time to think and talk  
For a much better understanding  
As I sit in my four cornered room  
As I sit in my four cornered room  
As I sit in my four cornered room  
As I sit in my four cornered room  
As we sit here in my four cornered room  
I can feel all y'all's deepest emotions  
I know I can't talk right  
But I'm feeling something in the depths of my soul I can understand where you're coming from  
Y'all coming from my four cornered room  
That four cornered room, y'all
