

Play Crack the Sky

Brand New

We sent out the SOS call
It was a quarter past four
In the morning
When the storm broke our second anchor line
Four months at sea
Four months of calm seas
Only to be pounded in the shallows
Off of the tip of Montauk Point They call them rogues
They travel fast and alone
One hundred foot faces
Of God's good ocean gone wrong
What they call love is a risk
To always get hit
Out of nowhere
By some wave and end up on your own
The hole in the hull defied the crews attempts
To bail us out
And flooded the engines and radio
And half buried bow Your tongue is a rudder
It steers the whole ship
Sends your words past your lips
Or keeps them safe behind your teeth
But the wrong words will strand you
Come off course while you sleep
Sweep your boat out to sea
Or dashed to bits on the reef
The vessel groans
The ocean pressures its frame
Off the port I see the lighthouse
Through the sleet and the rain
And I wish for one more day
To give my love and repay debts
But the morning finds our bodies
Washed up thirty miles west They say that the captain
Stays fast with the ship
Through still and storm
But this ain't the Dakota
The water's cold (so cold)
Won't have to fight for long (This is the end)
This story's old (this is the end)
But it goes on and on
Until we disappear

(This is the calm)
Calm me and let me taste (this is the calm)
The salt you breathe
While you are underneath
(We are the resin)
I am the one who haunts your (we are the resin)
Dreams of mountains sunk
Below the sea
(After the storm)
I spoke the words but never (after the storm)
Gave a thought to what they all could mean
(Rest here with me)
I know that this (rest in the deep) is what you want
(Washed up on the beach)
A funeral keeps both of us apart
(Washed up on the beach)
You know that you are not alone
I need you like water in my lungs
This is the end(This is the end)
This story's old (this is the end)
But it goes on and on
Until we disappear
(This is the calm)
Calm me and let me taste (this is the calm)
The salt you breathe
While you are underneath
(We are the resin)
I am the one who haunts your (we are the resin)
Dreams of mountains sunk
Below the sea
(After the storm)
I spoke the words but never (after the storm)
Gave a thought to what they all could mean
(Rest here with me)
I know that this (rest in the deep) is what you want
(Washed up on the beach)
A funeral keeps both of us apart
(Washed up on the beach)
You know that you are not alone
I need you like water in my lungs
This is the end('Never to see any other way')
