

# Play Crack the Sky

## Brand New

We sent out the SOS call  
It was a quarter past four  
In the morning  
When the storm broke our second anchor line  
Four months at sea  
Four months of calm seas  
Only to be pounded in the shallows  
Off of the tip of Montauk Point They call them rogues  
They travel fast and alone  
One hundred foot faces  
Of God's good ocean gone wrong  
What they call love is a risk  
To always get hit  
Out of nowhere  
By some wave and end up on your own  
The hole in the hull defied the crews attempts  
To bail us out  
And flooded the engines and radio  
And half buried bow Your tongue is a rudder  
It steers the whole ship  
Sends your words past your lips  
Or keeps them safe behind your teeth  
But the wrong words will strand you  
Come off course while you sleep  
Sweep your boat out to sea  
Or dashed to bits on the reef  
The vessel groans  
The ocean pressures its frame  
Off the port I see the lighthouse  
Through the sleet and the rain  
And I wish for one more day  
To give my love and repay debts  
But the morning finds our bodies  
Washed up thirty miles west They say that the captain  
Stays fast with the ship  
Through still and storm  
But this ain't the Dakota  
The water's cold (so cold)  
Won't have to fight for long (This is the end)  
This story's old (this is the end)  
But it goes on and on  
Until we disappear

(This is the calm)  
Calm me and let me taste (this is the calm)  
The salt you breathe  
While you are underneath  
(We are the resin)  
I am the one who haunts your (we are the resin)  
Dreams of mountains sunk  
Below the sea  
(After the storm)  
I spoke the words but never (after the storm)  
Gave a thought to what they all could mean  
(Rest here with me)  
I know that this (rest in the deep) is what you want  
(Washed up on the beach)  
A funeral keeps both of us apart  
(Washed up on the beach)  
You know that you are not alone  
I need you like water in my lungs  
This is the end(This is the end)  
This story's old (this is the end)  
But it goes on and on  
Until we disappear  
(This is the calm)  
Calm me and let me taste (this is the calm)  
The salt you breathe  
While you are underneath  
(We are the resin)  
I am the one who haunts your (we are the resin)  
Dreams of mountains sunk  
Below the sea  
(After the storm)  
I spoke the words but never (after the storm)  
Gave a thought to what they all could mean  
(Rest here with me)  
I know that this (rest in the deep) is what you want  
(Washed up on the beach)  
A funeral keeps both of us apart  
(Washed up on the beach)  
You know that you are not alone  
I need you like water in my lungs  
This is the end('Never to see any other way')
