

# Swallowed in the Sea

## Coldplay

You cut me down a tree  
And brought it back to me  
And that's what made me see  
where I was going wrong You put me on a shelf  
And kept me for yourself  
I can only blame myself  
You can only blame me And I could write a song  
A hundred miles long  
Well, that's where I belong  
And you belong with me And I could write it down  
Or spread it all around  
Get lost and then get found  
Or swallowed in the sea  
You put me on the line  
And hung me out to dry  
And darling that's when I  
Decided to go to see You cut me down to size  
And opened up my eyes  
Made me realize  
What I could not see And I could write a book  
The one they'll say that sThe world, and then it took  
It took it back from me  
And I could write it down  
Or spread it all around  
Get lost and then get found And you'll come back to me  
Not swallowed in the sea  
And I could write a song  
A hundred miles long  
Well that's where I belong  
And you belong with me  
The streets your walking on  
A thousand houses long Well that's where I belong  
And you belong with me  
Oh what good is it to live  
With nothing left to give  
Forget, but not forgive  
Not loving all you see  
All the streets you're walking on  
A thousand houses long  
Well that's where I belong  
And you belong with me  
Not swallowed in the sea

You belong with me  
Not swallowed in the sea  
Yeah, you belong with me  
Not swallowed in the sea
