

# I Could Have Danced All Night

[Julie Andrews & Philippa Bevans](#)

Eliza: Bed, bed I couldn't go to bed  
My head's too light to try to set it down  
Sleep, sleep I couldn't sleep tonight  
Not for all the jewels in the crown I could have danced all night, I could have danced all night  
And still have begged for more  
I could have spread my wings and done a thousand things  
I've never done before I'll never know what made it so exciting  
Why all at once my heart took flight  
I only know when he began to dance with me  
I could have danced, danced, danced all night  
Servants: It's after three now  
Don't you agree now?  
She ought to be in bed  
I could have danced all night, I could have danced all night  
And still have begged for more  
I could have spread my wings and done a thousand things  
I've never done before I'll never know what made it so exciting  
Why all at once my heart took flight  
I only know when he began to dance with me  
I could have danced, danced, danced all night  
Mrs. Pearce: I understand dear  
It's all been grand dear  
But now it's time to sleep I could have danced all night, I could have danced all night  
And still have begged for more  
I could have spread my wings and done a thousand things  
I've never done before  
I'll never know what made it so exciting  
Why all at once my heart took flight  
I only know when he began to dance with me  
I could have danced, danced, danced all night
