

Ice Cold

K CAMP

Gotta smoke one fore I get on this one
Shawty ice cold, she stiff on the nigga
Pop me a perc and float like the river
I shoot shots, like Reggie Miller (Shoot)
Girl you look so familiar
She a bad one, she love Christian
She love diamonds, pay attention
Can I have you? Girl I want you
Girl I need you (Oh, oh)
Thought I had you, then you left me
Get my snipe on, feel like Wesley (Yeah)
Feel like Wesley, tryna love you, if you let me (Let's go)
What's your vibe on? What's your next move? (Yeah)
You the one I wanna be next to (Yeah)
Hope you don't mind when I text you (Yeah)
Stop playin' girl, let me bless you (Oh-oh-oh)
Oh you back again (Oh-oh-oh)
Say you single and you ready,
girl wuz hannin' then? (Girl wuz hannin' then?)
I let you leave me once before and I can't pass again
No, no, I can't play 'round with you,
I'm on your ass again (I'm on your ass again)
(Oh-oh-oh)
Girl wuz hannin' then? (Oh-oh-oh)
That nigga broke and he so washed up, why you gassin' him? (Oh-oh-oh)
I treat these hoes just like a sport,
you know I'm passing 'em (Ooh, ooh)
No, no, I can't play 'round with you, I'm on your ass again (Ooh, ooh)
Shawty ice cold, she stiff on a nigga
Pop me a perc and float like the river

What's your vibe on? What's your next move?
You the one I wanna be next to
Hope you don't mind when I text you
Stop playin' girl, let me bless you
Bright life, pose for the Canon
Fly shit, I am not landin' (Oh)
Got the big like [?]

Jumpin' out the gym like Shannon
Ass out while she tannin'
I love the way that you standin' (Standin')
Deep in this bit, like the Canyon
Nigga pulled off in a Cayenne
Shoot for your love, I'm tryin'
He ain't got money like he say, he lyin' (He lyin')
Thirty thousand feet, I'm flyin'
Gucci in the jet, ain't no more cryin' (No cryin')
Catch you off the rim like Zion
Baby how you [?], I'm playin' (I'm playin')
Know you need a shoulder you can cry on
Lurkin' on your 'Gram, you the one I'm tryna spy on (Ooh)Shawty ice cold, she stiff on a nigga
