

# Tippin' Point

Dallas Smith

God was showing off  
when He made you.Sweet sunshine and  
honey and some  
Daisy Dukes.Its hot as hell when we  
shake that tailgate.You wanna make me  
holla at the moon.Aw yeah, baby, them  
sparks are gonna fly.Light up the night like the  
Fourth of July.  
Oh, I'm at my  
tip, tip, tippin' point.  
Fill it up to the top.I gotta sip, sip, sip, me somethin'  
that hits the spot.  
Oh, won't ya come on over here, baby?Wanna get those  
lips, lips, lips, little hottie.  
When your shale that,  
You shake those  
hips, hips, hips,  
that body, curves got me swervin'  
driving me crazyI'm at my  
tip, tip, tipping point.  
(fill it up to the tip, I'm at my...)  
tip, tip, tipping point  
(fill it up to the top, I'm at my...)Well, there you go, lips hot pink.  
Eyes denim blue, makein' me think  
about 24/7, you're kind of Heaven.Lovin' on eleven  
Livin' on the brick of that.Oh, I'm at my  
tip, tip, tippin' point.  
Fill it up to the top.I gotta sip, sip, sip, me somethin'  
that hits the spot.  
Oh, won't ya come on over here, baby?Wanna get those  
lips, lips, lips, little hottie.  
When your shale that,  
You shake those  
hips, hips, hips,  
that body, curves got me swervin'  
driving me crazyI'm at my  
tip, tip, tipping point.
