

# Je Fais La Planche

[k.d. lang](#)

Endlessly blue above me  
Endlessly blue beneath  
The buoyancy of beneath  
Je fais la planche What lies beyond the surface  
That loses profoundly deep  
An uninterrupted sleep  
Je fais la planche Floating here in a dream  
In this dream of earth and sky  
In this dream of life  
Floating here in a dream  
In this dream of earth and sky  
In this dream of life
