

# Crash Burn

## Blues Traveler

I'm gonna ride you  
Gonna ride you out like a witch on a broom  
I'm gonna ride you  
Gonna ride you out like a witch on a broom It's the old give and take  
And I've been took again  
So give me room I'm gonna watch you  
Gonna watch you fall like a tower of cards  
Gonna watch you  
Gonna watch you fall like a tower of cards  
Gonna land, gonna land, gonna land, gonna land  
No matter how hard Crash burn  
When will I learn?  
Crash burn  
When will I learn?  
Crash burn  
When will I learn?  
Crash burn  
When will I learn?
