

# Somewhere Over the Rainbow

[Katharine McPhee](#)

When all the clouds darken up the skyway  
There's a rainbow highway to be found  
Leading from your window pane  
Just a step beyond the rainSomewhere over the rainbow  
Way up high  
There's a land that I heard of  
Once in a lullabySomeday I'll wish upon a star  
And wake up where the clouds are far behind me  
Where troubles melt lemon drops  
Away above the chimney tops  
That's where you'll find meSomewhere over the rainbow  
Bluebirds fly  
Birds fly over the rainbow  
Why then oh why can't I  
If happy little bluebirds fly  
Beyond the rainbow  
Why, oh, why can't I
