

# Beauty In the World

Macy Gray

I know you're fed up  
Like a lead up for us  
All they talk about is  
What is going down? What's been messed up for us?  
When I look around I see blue skies  
I see butterflies for us  
Listen to the sound and lose it It's sweet music and dance with me  
There is beauty in the world  
So much beauty in the world  
Always beauty in the world So much beauty in the world  
Shake your booty boys and girls for the beauty in the world  
Pick your diamond pick your pearl there is beauty in the world  
All together now  
...  
We need more lovin'  
We need more money, they say  
Change is gonna come Like the weather They say forever  
They say  
When they're in between  
Notice the blue skies Notice the butterflies  
Notice me  
Stop and smell the flowers  
And lose it It's sweet music  
And dance with me  
There is beauty in the world  
So much beauty in the world  
Always beauty in the world  
There is beauty in the world  
Shake your booty boys and girls for the beauty in the world  
Pick your diamond pick your pearl there is beauty in the world All together now  
...  
Hey... Yeah  
Throw your hands up and holla  
Hey... Yeah Throw your hands up and holla  
When you don't know what to do  
Don't know if you'll make it through  
Remember god is giving you beauty in the world  
So love (Beauty in the world) Yeah love (Beauty in the world)  
There is beauty in the world (Beauty in the world)  
Beauty in the world (Beauty in the world)  
Shake your booty boys and girls (Boys and Girls) All the beauty in the world (Beauty in the world)

Pick your diamond pick your pearl (Pick your pearl)  
There is beauty in the world (Beauty in the world)  
All together now

...

Yeah... love

Yeah... love

Oh... love

All together now

Hey baby when I'm looking at you

I know it's fact is true

There is hope for love

There's beauty in the world
