

# Nothing Can Hold Us Down (feat. Haris)

## Hardwell & Headhunterz

Down

Down

Down

Down Oceans tries running through my veins

From where we are right now

So far we'll break through every wave

We'll never turn around

I will guide you

I will shelter you

I will lift you up

Nothing can hold us down

Oceans tries running through my veins

From where we are right now

So far we'll break through every wave

We'll never turn around

I will guide you

I will shelter you

I will lift you up

Nothing can hold us down
