

# Madness

## Muse

I, I can't get these memories out of my mind  
And some kind of madness has started to evolve, mmm  
And I, I tried so hard to let you go  
But some kind of madness is swallowing me whole, yeah I have finally seen the light  
And I have finally realized what you mean And now I need to know — is this real love  
Or is it just madness keeping us afloat? Mmm  
And when I look back at all the crazy fights we've had  
Like some kind of madness was taking control, yeah  
Now, I have finally seen the light  
And I have finally realised what you need But now I have finally seen the end  
(Finally seen the end)  
And I'm not expecting you to care, no  
(Expecting you to care)  
That I have finally seen the light  
(Finally seen the light)  
And I have finally realized  
(Realized)  
I need to love  
I need to love  
Come to me, just in a dream  
Come on and rescue me  
Yes I know I can be wrong  
And baby you're too headstrong  
Our love is...  
Madness
