

# Crave (feat. Swae Lee)

## Madonna

[Verse 1: Madonna]

I'm tired of being far away from home  
Far from what can help, far from where it's safe  
Hope it's not too late  
Rush, rush, rush on you, love, love, loved on you  
Love you like a fool, put my trust in you[Pre-Chorus: Madonna & Swae Lee]

'Cause you're the one I crave  
And my cravings get dangerous  
The feelings never fade

I don't think we should play with this  
Said come, come give me strength  
I don't think we should wait for this

'Cause you're the one I crave  
And my cravings get dangerous

[Chorus: Madonna & Swae Lee]

Ooh (Ooh), my cravings get dangerous  
Ooh, I don't think we should play with this  
Ooh (Ooh), my cravings get dangerous  
Ooh, I don't think we should wait[Verse 2: Madonna, Swae Lee & Both]

'Cause I'm just me (Yeah), that's all I can be (Ooh)  
Something real (Yeah), something I can feel

You know I just can't change, this is how I'm made  
I'm not afraid, take me to that place[Pre-Chorus: Madonna, Swae Lee & Both]

You're the one I crave (Crave)  
And my cravings get dangerous  
The feelings never fade

I don't think we should play with this  
Said come, come give me strength  
I don't think we should wait for this

'Cause you're the one I crave  
And my cravings get dangerous

[Chorus: Madonna & Swae Lee]

Ooh (Ooh), my cravings get dangerous  
Ooh, I don't think we should play with this  
Ooh (Ooh), my cravings get dangerous  
Ooh, I don't think we should wait[Verse 3: Swae Lee]

You're on me, I don't think you should wait (Wait)

You're only one pull up away (Away)

You're down to ride, you ride me like a wave (Ride, yeah)

I gave you a sensation (Ooh)

A loner, days we used to chase

It's do or die, yeah, my love life can get crazy (Crazy)

It's on the line, girl, you're risking everything (Thing)  
It's over-X-rated[Bridge: Madonna & Swae Lee]  
Ran so far to try to find the thing I lacked and there it was  
Inside (Side) of (Of) me (Me)  
Ran and ran and ran so fast, a thing to last, and there it was  
I hear (Hear) you (You) breathe (Breathe)[Pre-Chorus: Madonna, Swae Lee & Both]  
'Cause you're the one I crave (Crave)  
And my cravings get dangerous  
The feelings never fade  
I don't think we should play with this  
Said come, come give me strength  
I don't think we should wait for this  
'Cause you're the one I crave  
And my cravings get dangerous[Chorus: Madonna, Swae Lee & Both]  
Ooh (Ooh), my cravings get dangerous  
Ooh, I don't think we should play with this  
Ooh (Ayy, ooh), my cravings get dangerous  
Ooh, I don't think we should wait[Outro: Swae Lee]  
It's on the line, girl, you're risking everything
