See I used to be the type of mija that used to get fuked over love with tekilya in ma Cup. and I went off andd all the world everybodyy goin in it, down a couple shots With the homies til I finish. bottles up plus I thot about all those times you used to hold Me cryin all nite long with some stupidd shit u told mi. Talkn on the phone with ma best Homeqirl; askin if she saw u with some otha qirl... but it all remaind the samee you Wer a perro but I quesz I didn't noe that bak den ya ke me acuerdo. it didn't matter. I was on thee otha hood. ma homitaz let me noe u chu was up to no good; but I Smiled cause I thot nah. this kant bee true. When in fact dam I always knew and wat Was I suppose to do 1dayy u treated me like shit and you would try to act all crazy. It never mattered wat tha fukq I meant to you.

It never all tha shit that we went thru

So go ahead and do your thing all you want now cause I don't qiva a fuk

U ain't got me waitin up

It never mattered all those things that u toldd me.

It never mattered all those times you used to hold me

So qoo ahead and talk all your shit now

I'm sayin Fukq Lovee So Puto Shut The Fukq Up!

Go ahead andd talk about your babosadas I'm used to u sleep talkn smak behind Mi cara. That I'm a big time freak shit? is that suppose to hurt mi? Thanx to you I Qot a gana a vatos tryna get to noe me. but let mi break this down pa ke Entiendas wat I'm sayin. You tryna play the victim? THats a juego I ain't playin. You stupidd mutha fucker I'm jst makin suree your hurted. putting me on blast; yes, U thot dat that woulda hurt me but helll noooo. I don't playy dirty like that, but If you Want to, Tellin all your homies how many times I fuked you. So go ahead and do your thing all you want now cause I don't qiva a fuk

U ain't got me waitin up

It never mattered all those things that u toldd me.

It never mattered all those times you used to hold me

So qoo ahead and talk all your shit now

I'm sayin Fukq Lovee So Puto Shut The Fukq Up!

I quesz you thot I woulda kept cryin, I quesz you probably thot I woulda kept tryin To get a hold ov you so I kan get chu bak but I'm too buzy with ma people tryna Makee that stak nd count that feria stroll aroundd likee it ain't nada so I ain't qona Waist ma timee with a chavala. y mi lana yea I'm On tp ov it all andd on tha wordd Of the street qot chu wishin I fall isn't it funny how u tryna ser me dano. Pay baks A bitch now eres tu el acavado el awitado. That's really funny to me. Cuando Presumes de una ruka ke no se compara ami; she a hoodrat y se lo diqo en su cara

Ain't notin to be jeluse about. pobre chavala, actions speak louder den words
So best you learn it, u kan have your shit bak estupido, alreadyy burned it. It never mattered wat
tha fukq I meant to you.
It never all tha shit that we went thru
So qo ahead and do your thing all you want now cause I don't qiva a fuk
U ain't qot me waitin up
It never mattered all those things that u toldd me.
It never mattered all those times you used to hold me
So qoo ahead and talk all your shit now
I'm sayin Fukq love. So Puto Shut The Fuxk Up!
