Uh huh (uh huh)... uh huh (uh huh)...  
Don't be scared, represent it  
Yo county, yo city  
Where you from, huh nigger? Where you from?  
Don't be scared, represent it  
Yo county, yo city  
Who you know put Chevy's like this  
Candy paint and the trunk full of funk like this Dade County, gone ride.  
Across the world we gone buy em

Murder one, I'm killin em

The vert game sowed up  
Somebody tried some mo shit bout some ole shit  
T Double done switched the game  
Got niggaz slowin down switchin lanes  
Chevy boys, we like it fast  
So I drop at the low, heavy on the gas  
Before you know it, be haulin ass  
Bout 145 on the digital dash Dade County, gone ride... Where ever you from, represent it  
Yo county, yo city (uh huh, uh huh, huh, uh huh, huh... shiiit)  
Where ever you from, represent it

Get off ya ass and get paid  
If ya ain't bout money, you ain't from Dade  
See this is strictly for the thugs

A lil nigga wit a big ole car and a big ole bank

So ask dread for the hotbread
