

Sad Forever

Lauv

Daydream

Life feels like a daydream

And I just wish that I could wake up I just wish that I could wake up

My mind, whispers in the nighttime

Voices always keeping me up

Telling me that I should give up 'Cause lately

I've been in the backseat, doing alright

Trying to take control, but I don't know how, to

I don't wanna be sad forever

I don't wanna be sad no more

I don't wanna wake up and wonder

What the hell am I doing this for?

I don't wanna be medicated

I don't wanna go through that war

I don't wanna be sad

I don't wanna be sad

I don't wanna be sad anymore I don't wanna be sad forever

I don't wanna go one more day

I just wanna wake up and realize

Everything's gonna be okay

I don't know what words to say and

I don't wanna go through that war

I don't wanna be sad

I don't wanna be sad

I don't wanna be sad anymore

I'm coming through to the other side

I'll make it through to tomorrow

'Cause that's all I can do today

Do today 'Cause lately

I've been in the backseat, doing alright

Trying to take control, but I don't know how, to I don't wanna be sad forever

I don't wanna be sad no more

I don't wanna wake up and wonder

What the hell am I doing this for?

I don't wanna be medicated

I don't wanna go through that war

I don't wanna be sad

I don't wanna be sad

I don't wanna be sad anymore I don't wanna be sad forever

I don't wanna go one more day

I just wanna wake up and realize

Everything's gonna be okay

I don't know what words to say and
I don't wanna go through that war
I don't wanna be sad
I don't wanna be sad
I don't wanna be sad anymore(Mmm, sad anymore)
(Mmm, sad anymore)I don't wanna be sad forever
I don't wanna be sad no more
I don't wanna wake up and wonder
What the hell am I doing this for?
I don't wanna be medicated
I don't wanna go through that war
I don't wanna be sad
I don't wanna be sad
I don't wanna be sad anymoreI don't wanna be sad forever
I don't wanna go one more day
I just wanna wake up and realize
Everything's gonna be okay
I don't know what words to say and
I don't wanna go through that war
I don't wanna be sad
I don't wanna be sad
I don't wanna be sad anymore
