You Win Again (feat. Elvis Costello)

Charlie Haden

It's been a long day without you, my friend And I'll tell you all about it when I see you again We've come a long way from where we began Oh, I'll tell you all about it when I see you again When I see you againDamn, who knew? All the planes we flew Good things we've been through That I'll be standing right here talking to you About another path I know we loved to hit the road and laugh But something told me that it wouldn't last Had to switch up Look at things different see the bigger picture Those were the days Hard work forever pays Now I see you in a better place How could we not talk about family when family's all that we got? Everything I went through you were standing there by my side And now you gonna be with me for the last rideIt's been a long day without you, my friend And I'll tell you all about it when I see you again (I see you again) We've come a long way (yeah, we came a long way) from where we began (you know we started) Oh, I'll tell you all about it when I see you again (let me tell you) When I see you againFirst you both go out your way And the vibe is feeling strong And what's small turn to a friendship A friendship turn into a bond And that bond will never be broken And the love will never get lost (and the love will never get lost) And when brotherhood come first Then the line will never be crossed Established it on our own When that line had to be drawn And that line is what we reach So remember me when I'm gone (remember me while I'm gone) How could we not talk about family when family's all that we got? Everything I went through you were standing there by my side And now you gonna be with me for the last rideSo let the light guide your way, yeah Hold every memory as you go And every road you take will always lead you home, homeIt's been a long day without you, my friend And I'll tell you all about it when I see you again

We've come a long way from where we began Oh, I'll tell you all about it when I see you again When I see you again When I see you again
