

# Terrible Thought

Poe

A terrible thought has moved into my mind  
Like an unwanted room-mate drunk on wine  
It feeds on my unhappiness, won't pay the rent  
I must take proper measures to evict it  
A terrible thought has moved into my mind  
A giant rat that's nibbling on my pride  
It's tearing away my patience and my wits  
I must take proper measures to set a trap for it  
What a terrible thought  
I don't care what you've done  
I don't care who you've won  
I know in the end, you have your fun  
But you can't have it here  
And I won't let you steer  
You know I don't want you in my mind  
What a terrible thought  
What a terrible, terrible thought  
I must stay calm you know and I must be clear  
It's gonna take a hundred thoughts to make this one disappear  
A train like that can travel a soul for years  
A terrible thought can have a terribly long career  
What minds have you shredded  
I bet they regretted  
Having ever thought you up  
Just look at you shine  
Committing your crimes  
You know I don't want you in my mind  
'Cause you're breaking my stride  
You poisonous vine  
You're strangling me inside  
You're breaking my stride  
You poisonous vine  
You're strangling me inside  
You're breaking my stride  
What a terrible thought...  
(Father: What is your greatest worry because you seem to be worried  
all the time.)  
(Daughter: Sometimes I can't hear myself think.)  
(Father: You have to speak a little louder, I can't understand a word you're saying.)  
(Daughter: Sometimes I can't hear myself think)
