## **Push**

## **Matchbox Twenty**

She said I don't know if I've ever been good enough I'm a little bit rusty, and I think my head is caving in And I don't know if I've ever been really loved

By a hand that's touched me

And I feel like something's gonna giveAnd I'm a little bit angry... well,

This ain't over, no, not here

Not while I still need you around You don't owe me, we might change... yeah,

Yeah, we just might feel good

I wanna push you around

Well I will. Well I will

I wanna push you down

Well I will, Well I will

I wanna take you for granted

I wanna take you for granted

Yeah, yeah, well I willShe said I don't know why you ever would lie to meLike I'm a little untrusting when

I think that the truth is gonna hurt ya

And I don't know why you couldn't just stay with me

You couldn't stand to be near meWhen my face don't seem to want to shine

'Cause it's a little bit dirty... well,

Don't just stand there, say nice things to me

'Cause I've been cheated, I've been wronged and you,

You don't know me, yeah well I can't changeI won't do anything at all

I wanna push you around

Well I will, Well I will

I wanna push you down

Well I will, Well I will

I wanna take you for granted

I wanna take you for granted

Yeah, yeah, well I willOh, but don't bowl me over

Just wait a minute, well, it kinda fell apart things

Get so crazy, crazy

Don't rush this baby

Don't rush this baby, baby

I wanna push you around

Well I will, Well I will

I wanna push you down

Well I will, Well I will

I wanna take you for granted, yeah, yeah, yeah

I wanna take you, take you

Yeah, well I will

I will, I will, yeah

Well I will, I will, I will, yeah
Push you around
And push you down
I wanna push you around
Well I will.
