

Take the Money and Crawl

Green Day

High on a low life
Hit me with a dull knife
Sweet sour sickness
Can I get a witness? This is the wild life I'm gonna take a dive
Take the money and crawl
Do I dare say "please" when I'm on my knees?
Take the money and crawl Illegal tender
Going on a bender
Cold-blooded killers
Of all motherfuckers I'm a nervous wreck enough to make you sick
Take the money and crawl
Oh yeah it's just my luck but I don't give a fuck
Take the money and crawl
This is the wild life I'm gonna take a dive
Take the money and crawl
Do I dare say "please" when I'm on my knees?
Take the money and crawl
You can take a walk or you can suck my cock
Take the money and crawl
Oh yeah it's just my luck but I don't give a fuck
Take the money and crawl
