

Taking Over Me

Evanescence

You don't remember me but I remember you
I lie awake and try so hard not to think of you
But who can decide what they dream?
And dream I do I believe in you
I'll give up everything just to find you
I have to be with you
To live, to breathe
You're taking over me Have you forgotten all I know
And all we had?
You saw me mourning my love for you
And touched my hand
I knew you loved me then
I believe in you
I'll give up everything just to find you
I have to be with you
To live, to breathe
You're taking over me I look in the mirror and see your face
If I look deep enough
So many things inside that just like you are taking over I believe in you
I'll give up everything just to find you
I have to be with you
To live, to breathe
You're taking over me
I believe in you
I'll give up everything just to find you
I have to be with you
To live, to breathe
You're taking over me (taking over me)
You're taking over me (taking over me)
Taking over me
