Get On It

The Kin

Get on itThis song
I believe
All your cards are down
Baby play it straight for me
Its fully on
Set it free
The chanting of the sound
Playing up the town for meGet loud
Working over time everything you do
yous staring over you
you stop me on it
Worrying over drive
every thing you do
you start it over you
you stop me on it on it on it
The city to young
forget it be
stars are falling down so baby come naturally
so bring it louder so what it see
this place is going down blowing down in history
its going downWorking overtime everything you do
you starting over you you stop me on it
worrying over drive every thing you do
you starting over you you stop me on it on it on itOhhh aoooo ohh aooo oohh aooo get on it
ohhh aoooo ohh aooo oohh aooo get on it
working over time everything you do
you starting over you you stop me on it
Working overtime everything you starting over you
you stop me on it
worrying over drive everything you do
you start it over you
you stop me on it on it
get on it
get on it
