

Telephone

Erykah Badu

Telephone...
It's Ol' Dirty
He wants to give you directions home
Said it wont be too long
The day is gone.
It's 3: 30.
Too hungry for some love, love
Last foreverJust fly away to heaven brother
Make a place for me brother
Fly away to heaven brother
Save a place for me brother
Fly away to heaven brother
Put in a word for me...
Telephone
Hmmmmmm
Telephone,
Its Ol' Dirty.
He wants to give you directions home
Said it wont be too long
Said it wont be too longTelephone...
It's too early
We want to hear a long song.
Transition with a real slow fadeJust fly away to heaven, brother
Make a place for me, brother
Fly away to heaven, brother
Save a place for me, brother
Fly away to heaven, brother
Put in a word for me...
Telephone
Ooooh
Transition time to go away
Time to go away
Slow fade...
Slow, slow fade ohhhhhhJust fly away to heaven, brother
Make a place for me, brother
Fly away to heaven, brother
Save a place for me, brother
Fly away to heaven, brother
Put in a word for me.
Fly away to heaven, brother
