

# Break Em' Off

## Paul Wall & Lil' Keke

I'ma break âE em off real bad  
I'ma show 'em, pourin' up a deuce and ridin' slabI'ma break âE em off real bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma show 'em, pourin' up a deuce and ridin' slabI'ma break âE em, I'ma break âE em off real  
bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma show 'em, pourin' up a deuce and ridin' slabNow I gotta work my wood grain wheel  
Poppin' trunks, poppin' grills, still poppin' seals  
High up in the hill with my mind on mill  
Piece of chain swingin', bank roll, shiny grill  
Baby, I got million dollar dreams with my mind on cream  
I'm in that mean green machine, clean on 19s  
Flat screens in the headrest, swingin' like a swing set  
Brandy wine, paint wet, comin' down, that's a factI'm in the 'Lac, chasin' broads like a lesbian  
Full of that kush flower, I'm breakin' off pedestrians  
Higher than the street light, floatin' like a parachute  
Buzzin' like a bumblebee, mustard green Bentley CoupeYoung gangsta, mac game, sharper  
than a thumbtack  
Breakin' âE em off, makin' all the boppers attract  
Then they watch me, I'm rocked up  
Fully loaded and slabbin', tryin' to hit it and quit it  
And walk off like Big Poppi, break âE em offBreak âE em off real bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma show 'em, pourin' up a deuce and ridin' slab  
I'ma break âE em, I'ma break âE em off real bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma show 'em, pourin' up a deuce and ridin' slabAy, ay, I pull up like this, untouchable white  
wrist  
I'm hotter than warm piss, berry, grape, Sunkist  
The truck, gold mist, five 50, slow, buddy  
Bentley Continental with the mink floors, dummyPaul Wall money, that's expensive taste  
And âE em frilly ass fools, we send âE em to my space  
I'ma break âE em off until the backbone broken  
Stainless steel, drop Phantom, leave the top openShit done hit the fan, better cover your nose  
And the kush done start burnin', better cover your clothes  
Concrete crumblin', glass shootin' lazars  
Crawlin' and cuttin' up on 24 razorsI'ma show âE em how to make the slab look phenomenal  
Chasin' paper in the mornin', call me Houston Chronicle

Hold on, then you buckle up the seat belt  
Swisha House, Young Don, capital TFI'ma break âE em off real bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma show 'em, pourin' up a deuce and ridin' slabI'ma break âE em, I'ma break âE em off real  
bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma show 'em, pourin' up a deuce and ridin' slabOh really, I'm higher than the satellite, crawlin'  
like a baby  
Maneuverin' through the traffic like I'm Tracy McGrady  
Still choppin' on âE em buttons, I'm struttin' and lookin' fresh  
Switch hittin' like Bergman, this is ballin' at its bestIn that minute, may drop it with retractable  
roof  
Finer than wood, wavin' the hood, student loans on the two  
The fifth wheel on the ground and the trunk in the air  
Paul Wall, baby, I'm the definition of playaMy skills is so ill when workin' that wood wheel  
Tippin' 4s like a waiter, beware of the overseer  
Wide screen mind frame, panoramic pimpin'  
I'm sippin' on that Osama, baby, leanin' like I'm limpin'In that 2 seater feeder, it's me and a  
senorita  
3 ounces up in the liter and it's ten up in the heater  
Mackin' a mamacita, runnin' game like a cheetah  
I'm knockin' âE em out the park, similar to Derek JeterBreak âE em off, break âE em off real  
bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma show 'em, pourin' up a deuce and ridin' slabI'ma break âE em, I'ma break âE em off real  
bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma break âE em, I'ma break âE em off real bad  
I'ma show 'em, pourin' up a deuce and ridin' slab
