Lost (D. Ramirez Lost In Rave Mix)

Roger Sanchez

I saw a picture yesterday You know the one we were laughing in the rain

Remember how it used to be?

(We were so in love)

Remember when you were still in love with me?But you turned away

(You turned away)

And I start to cry

I'm lost without your love

And I won't surviveDon't leave me

Alone tonight

I'm lost without your love

And I won't survive

Don't leave me

'Cause I won't survive

I'm lost without your love

And I won't surviveI can't believe that we are through

Is it someone else

Have you found somebody new

'Cause I die inside

Every time I close my eyes

And imagine myself living without youBut you turned away

And I start to cry

I'm lost without your love

And I won't surviveDon't leave me

Alone tonight

I'm lost without your love

And I won't survive

Don't leave me

'Cause I won't survive

(No, no, no, no)

I'm lost without your love

And I won't surviveYou turned away

And I start to cry

I'm lost without your love

And I won't surviveBut you turned away

And I start to cry

I'm lost without your love

And I won't survive

(No, no, no)Don't leave me

Alone tonight

I'm lost without your love

And I won't survive

(I wont survive)Don't leave me
Alone tonight
(Alone tonight)
I'm lost without your love
And I won't survive
(Don't leave me)I'm lost without your love
(I'm lost without your love
And I wont survive)
Don't leave me
Don't leave me here all aloneI'm lost
I'm lost
