## **Rock and Roll**

## **Rasputina**

It's been a long time since I Rock and Rolled
It's been a long time since I did the Stroll
Oh let me get it back
let me get it back

Let me get it back, baby, where I come from

Oh Lord

It's been a long time

been a long time

Been a long lonely, lonely, lonely, lonely time

Yes it has

It's been a long time since I spoke of love Many many tears of a life with no love

Carry me back carry me back

Carry me back, baby, where I come from

It's been a long time

been a long time,

Been a long lonely, lonely, lonely, lonely, lonely timeSeems so long since we walked in the

moonlight

Oh Lord

Making vows that just can't work right

Oh yea

Open your arms

open your arms,

Open your arms, baby, let my love come running in

It's been a long time

been a long time

Been a long lonely, lonely, lonely, lonely time This song was originally performed by Led Zeppelin.
