

# More Heart, Less Attack

## NEEDTOBREATHE

Be the light in the crack  
Be the one that's been there on a camel's back  
Slow to anger quick to laugh  
Be more heart and less attack Be the wheels not the track  
Be the wanderer that's coming back  
Leave the past right where it's at  
Be more heart and less attack The more you take the less you have  
'Cause it's you in the mirror staring back  
Quick to let go slow to react  
Be more heart and less attack  
Ever growing steadfast  
And if need be the one that's in the gap  
Be the never turning back  
Twice the heart any man could have Be the wheels not the track  
Be the wanderer that's coming back  
Leave the past right where it's at  
Be more heart and less attack  
Be more heart and less attack  
Be more heart and less attack I stuck my hat out I caught the rain drops  
I drank the water I felt my veins block  
I'm nearly sanctified I'm nearly broken  
I'm down the river I'm near the open  
I stuck my hat out I caught the rain drops  
I drank the water I felt my veins block  
I'm near the sanctified I'm near broken  
I'm down the river I'm near the open I'm down the river to where I'm going
