

# It Must Be Love

## Madness

I never thought I'd miss you  
Half as much as I do  
And I never thought I'd feel this way  
The way I feel about you  
As soon as I wake up every night every day  
I know that it's you I need  
To take the blues away It must be love, love, love  
It must be love, love, love  
Nothing more, nothing less  
Love is the best  
How can it be  
That we can  
say so much without words  
Bless you and bless me  
Bless the bees and the birds  
I've got to be near you every night, every day  
I couldn't be happy any other way It must be love, love, love  
It must be love, love, love  
Nothing more, nothing less  
Love is the best Instrumental  
As soon as I wake up every night every day  
I know that it's you I need  
To take the blues away It must be love, love, love  
It must be love, love, love  
(repeat to fade)
