## The Forgotten

## **Green Day**

Where in the world's the forgotten?

They're lost inside your memory

You're dragging on, your heart's been broken

As we all go down in historyWhere in the world did the time go?

It's where your spirit seems to roam

Like losing faith to our abandon

Or an empty hallway from a broken home Well don't look away from the arms of a bad dream  $\,$ 

Don't look away, sometimes you're better lost than to be seen

I don't feel strange, it's more like haunted

Another moment trapped in time

I can't quite put my finger on it

But it's like a child that was left behindSo, where in the world's the forgotten?

Like soldiers from a long lost war

We share the scars from our abandon

And what we remember becomes folkloreWell, don't look away from the arms of a bad dream

Don't look away, sometimes you're better lost than to be seen

Don't look away from the arms of a moment

Don't look away from the arms of tomorrow

Don't look away from the arms of a moment

Don't look away from the arms of love

Well, don't look away from the arms of a bad dream

Don't look away, sometimes you're better lost than to be seen

Don't look away from the arms of a moment

Don't look away from the arms of tomorrow

Don't look away from the arms of a moment

Don't look away from the arms of love
