We Found Love (Sidney Samson Remix)

Sultan + Shepard & Showtek

Now that we found love, what are we gonna do with it Now that we found love, what are we gonna do with it Now that we found love, what are we gonna do with itNow that we found love, what are we gonna do with itNow hit me with that funky-ass beatNow that we found love (Guess what)Now that we found love, what are we gonna do with it Now that we found love, what are we gonna do with it Now that we found love, what are we gonna do with it Now that we found love, what are we gonna do with it Now that we found love, what are we gonna do with it Now that we found love, what are we gonna do with it Now that we found love, what are we gonna do with it Now that we found love, what are we gonna do with it Now that we found love, what are we gonna do with it Now that we found love, what are we gonna do with it Now that we found love, what are we gonna do with it Now that we found love, what are we gonna do with it
