

# All I Want Is You

U2

You say,  
you want  
Diamonds on a ring of gold  
You say,  
you want  
your story to remain untold  
All the promises we made  
From the cradle to the grave  
When all I want is you  
You say,  
you'll give me  
a highway with no-one on it  
Treasure, just to look upon it  
All the riches in the night  
You say,  
you'll give me  
eyes in the moon of blindness  
A river in a time of dryness  
A harbour in the tempest  
But all the promises we make,  
from the cradle to the grave  
When all I want is you  
You say,  
you want  
your love to work out right  
To last with me through the night  
You say,  
you want  
Diamonds on a ring of gold  
Your story to remain untold  
Your love not to grow cold  
All the promises we break,  
from the cradle to the grave  
When all I want is you  
A tuber  
when the trees just a best  
Of old anywhere  
what do when I can tuber  
Oh trees just right  
And king does for  
and to got it old and old
