

Somebody (feat. Jeremih)

Natalie La Rose

Come on

Natalie la Rose I wanna rock with somebody (woah yeah)

I wanna take shot with somebody (shot, shot, shot, shot)

I wanna leave with somebody (somebody, c'mon, c'mon)

And we ain't gonna tell nobody

We ain't gonna tell nobody Walking everybody knows what's good

But some gonna hate what's new

We just do our favorite time to waste

Always playing cool And at the end of the night

When our love's going out we turn down

Oh no we won't (we'll never turn it down, we'll never turn it down)

And when it try to make this leave we turn to say we never going home

And you know just what I wanna do I wanna rock with somebody (woah yeah)

I wanna take shot with somebody (shot, shot, shot, shot)

I wanna leave with somebody (somebody, c'mon, c'mon)

And we ain't gonna tell nobody

We ain't gonna tell nobody Walking everybody know what's good

We are only block

Bring us everything we think we need

Tonight is going up (tonight is going up) And at the end of the night

When our love's going out we turn down

Oh no we won't (we'll never turn it down, we'll never turn it down)

And when it try to make this leave we turn to say we never going home

And you know just what I want to do

I wanna rock with somebody (woah yeah)

I wanna take shot with somebody (shot, shot, shot, shot)

I wanna leave with somebody (somebody, c'mon, c'mon)

And we ain't gonna tell nobody

We ain't gonna tell nobody

And the club like woah

We'll be in the party in the club like woah

And the club like

We'll be in the city going down like woah

And the club like woah

We'll be in the party in the club like woah

We'll be in the city going down like woah

We'll be in the party in the club like woah And at the end of the night

When our love's going out we turn down

Oh no we won't (we'll never turn it down, we'll never turn it down)

And when it try to make this leave we turn to say we never going home I wanna rock with somebody (woah yeah)

I wanna take shot with somebody (shot, shot, shot, shot)

I wanna leave with somebody (somebody, c'mon, c'mon)
And we ain't gonna tell nobody
We ain't gonna tell nobody
