## Do You Dig U?

## **Q-Tip**

Are you runnin' late?
Did you show 'em love?
Even if you didn't there will never be another
Like you
Did you write the hit?

Did you hit the bong?

Even if you did it wit your friend under covers

It's you

Maybe it was on a strong run Either way actin' like get it done For the lovin' it was all one

Cuz girl you know it takes one to know one but

Do, Do you, dig you? Do, Do you, dig you? Did you drink the drink? Talkin' up the sun?

Fightin' off the dragon when it's lookin' in the mirror

At you Workin' all day Playin' all night

All I wanna do it just get a little hit up

To you
It's you
Do you dig you?
[Fade out]
