You Never Know

Wilco

Come on, children, you're acting like children
Every generation thinks it's the end of the world
All you fat followers, get fit fast
Every generation thinks it's the last, thinks it's the end of the worldIt's a dream down a well, it's a long, heavy hell
I don't care anymore, I don't care anymore
It's a fear we transcend if we're here at the end
I don't care anymore, I don't care anymore
You never know
Come on, kids, you're acting like children
Act your age, get back to black metals and pearls
Oh, all you sword swallowers, pull yourselves together
Every generation thinks it's the worst, thinks it's the end of the worldIt's a secret I can't tell, it's a wish down a well
I don't care anymore, I don't care anymore
It's a long, heavy hell, synthesizer Patell
I don't care anymore, I don't care anymore
But you never knowAh, you never know
I don't care anymore, I don't care anymore
It's a secret I can't tell, it's a wish down a well
I don't care anymore, I don't care anymore
It's a fear to transcend if we're here at the end
I don't care anymore, I don't care anymore
I don't care anymore, I don't care anymore
But you never knowAh, you never know
