You-you-you was on some opp shit

I was cruisin' down a nigga block with the chopstick

Rockstar nigga, now I need a rock bitch

We want beef, not veggies, not squash, bitch

That-that-that boy like to talk, we popped out with mops

You gon' shoot a little, we gon' shoot a lot

She thought it was my cock but my Glock very hard

[Verse 1: Tay-K]

My mama so hard, my daddy go hard

Tay-K fairly odd, Tay-K very hard

This thooka is my wand, Tay-K fairly odd

Chopper with a blade, it's gon' rip you apart

You's a monkey nigga, so we knock your tree apart

Bullets aim far, bullets aim far[Refrain: Tay-K & BlocBoy JB]
