

Red Hill Mining Town

U2

From father to son
The blood runs thin
Ooh, see the faces frozen (still)
Against the wind.
The seam is split
The coal-face cracked
The lines are long
There's no going back.
Through hands of steel
And heart of stone
Our labour day
Has come and gone.
They leave me holdin' on
In Red Hill Town.
See the lights go down on ...
Hangin' on
You're all that's left to hold on to.
I'm still waiting
I'm hangin' on
You're all that's left to hold on to.
The glass is cut
The bottle run dry.
Our love runs cold
In the caverns of the night.
We're wounded by fear
Injured in doubt.
I can lose myself
You I can't live without.
Yeah, you keep me holdin' on
In Red Hill Town.
See the lights go down on
Hangin' on
You're all that's left to hold on to.
I'm still waiting
I'm hangin' on
You're all that's left to hold on to
On to.
We scorch the earth
Set fire to the sky
And we stooped so low
To reach so high.
A link is lost

The chain undone.
We wait all day
For night to come
And it comes like a hunter (child).
I'm hangin' on
You're all that's left to hold on to.
I'm still waiting
I'm hangin' on
You're all that's left to hold on to.
We see love, slowly stripped away
Our love has seen its better day.
Hangin' on
Lights go down on Red Hill
The lights go down on Red Hill.
The lights go down on Red Hill.
The lights go down on Red Hill Town...
