Collide

Tiana Major9 & EARTHGANG

Everybody's got opinions on our thing
Say we're flying down a path with no ending
And if I die before I wakeOoh don't let me wake up from this dreamWhen we collide-ide-ide
When we collide, it's a beautiful disaster
When I crash into you, you, you
Crash into you, you, youI've been so frustrated have to let it out (Have to let it out)
Let me tell you with my body what I'm talking 'bout (Let me tell you, let me tell you)
And I don't care about the future or the past (I don't care, I don't care, no no)
Riding slow, 'cause you know the world's moving too fast (Too fast)
When we collide-ide-ide
When we collide, it's a beautiful disaster
When I crash into you, you, you
Crash into you, you, youWithout you I'm just a fraction
Closing in on my demiseAnd I love you religiously
With everything inside of me
As long as I'm
As long as I'm aliveWhen we collide-ide-ide
When we collide, it's a beautiful disaster
When I crash into you, you, you
Crash into you, you, you
When we collide-ide-ide
When we collide, it's a beautiful disaster
When I crash into you, you, you
Crash into you, you, you
