

# No Place Like Home

Randy Travis

Well there's my easy chair  
Just sittin' there  
I've spent a lot of time  
Thinkin' of this perfect love  
I know is yours and mine And oh how I love  
That old picture on the wall  
Of you and me and the kids  
My most favorite times in life  
I've spent right here where we live There's no place like home  
There's no place like home  
It just hit me  
As I was leaving  
There's no place like home  
From the bedroom  
I smell perfume  
My favorite kind your wore  
And it brings back memories  
Of all those nights  
Behind our bedroom door And the saddest thing  
I think I've ever seen  
Was my closet all cleaned out  
It's sad to think  
That one must leave  
'Cause we can't work things out There's no place like home  
There's no place like home  
It just hit me  
As I was leaving  
There's no place like home  
So baby say that I can stay  
For just a day or so  
Then maybe I can change your mind  
And I won't have to go Just look into  
These baby blues  
And tell me it's okay  
I love that smile  
It drives me wild  
No love won't die today There's no place like home  
There's no place like home
