

# Separated

## Avant

Hmm hmm hmm hmm hmm  
Yeah yeah  
Hmm hmm hmm hmm hmm  
Listen babe Every time I see you, I get a bad vibe  
Just thinkin' of someone else in between your thighs  
And you thought you were slick, had tricks up your sleeve  
But I see your stupid ass and I know you're tired of me  
That's why I say When we were together  
We never turned our backs on each other  
But now that we're separated  
We can't stand one another  
I don't wanna be with you, put that on everything I own  
I can't believe I stayed around that damn long  
If I never see you again, I won't be mad at all, no no  
'Cuz I believe that you're my downfall  
You did me wrong You did me wrong  
I thought you were true  
You ran out of my life  
And now I'm so through with you  
I wanted you to be there  
Right here with me, oh When we were together  
We never turned our backs on each other  
But now that we're separated  
We can't stand one another  
When we were together  
We never turned our backs on each other  
But now that we're separated  
We can't stand one another You did me wrong  
I thought you were true  
You ran out of my life  
And now I'm so through with you I remember when you used to sit there  
I'd hold you in my arms  
And you would say to me  
Yeah yeah Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah  
(I used to rub your body and you would say to me)  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah  
(When we were together you'd say) Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah  
(I can hear your body say)  
Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah

Yeah, yeah, yeah, yeah, yeah, yeah, yeah, yeah

(Sounds so good to me)

When we were together

We never turned our backs on each other

But now that we're separated

We can't stand one another

When we were together

We never turned our backs on each other

But now that we're separated

We can't stand one another
