## **Fight Fire With Fire**

## **Kansas**

There's a hole in the wall With a light shining in And it's letting me know to get up It's time to beginOh there is nothing to lose 'Cause it's already lost In a runaway world Of confusion I'm gonna take itThat's why I fight fire with fire Oh I'm burning inside and my heart is a-cryin' Fire with fire I don't want to lose this flamin' desireStanding alone In a crowded room I can feel a chill in the air I'm shakin' I'm miles away I want to cry out loud I want to fight till the end I won't let 'em take me alive And you know I'll fight fire with fire Oh I'm burning inside and my heart is a-cryin' Fire with fire 'Cause I'm never gonna lose this flamin' desire
