

Paralyzed

Drowning Pool

I can feel the rain drops (The rain drops)
Running down my back,
With the words you used to ruin me
You ruin me And I remember the rain in my eyes,
The day you turned and ran away
You ruin me And... I feel paralyzed
You leave me here broken
And... I feel paralyzed
You leave me so broken
Can you make the pain stop? (The pain stop)
And swallow all those thoughts,
You used to have, that crippled me
You ruin me Can you remember the pain in my eyes,
The day you turned and ran away?
You ruin me And... I feel paralyzed
You leave me here broken
And... I feel paralyzed
You leave me so broken
You keep me tied down,
You're stealing my crown
You leave me hopeless
And... I feel paralyzed
And... I feel paralyzed
You leave me here broken
And... I feel paralyzed
You leave me so broken
You keep me tied down,
You're stealing my crown
You leave me hopeless
And... I feel paralyzed...
I feel paralyzed... I feel paralyzed
