You're all that I need, I'll be there for you  
If you keep it real with me, I'll keep it real witchu  
Loving your whole schemes, it be in there boo  
On top of that you got the good Power-UShorty, I'm there for you anytime you need me  
For real girl, it's me in your world, believe me  
Nuttinâ€™™ make a man feel better than a woman  
Queen with a crown that be down for whateverThere are few things that's forever, my lady  
We can make war or make babies, back when I was nuttinâ€™™  
You made a brother feel like he was something  
That's why I'm with you to this day boo, no frontin'Even when the skies were gray  
You would rub me on my back and say, "Baby it'll be okay"  
Now that's real to a brother like me, baby  
Never ever give my pussy away and keep it tight, aight  
And I'ma walk these dogs so we can live  
In a fat ass crib with thousands of kids  
Word life, you don't need a ring to be my wife  
Just be there for me and I'ma make sure weBe livin' in the fucking lap of luxury  
I'm realizing that cha didn't have to fuck with me  
But cha did, now I'm going all out kid  
And I got mad love to give, you my niggaYou're all that I need, I'll be there for you  
If you keep it real with me, I'll keep it real witchu  
Loving your whole schemes, it be in there boo  
On top of that you got the good Power-UYou're all that I need, I'll be there for you  
If you keep it real with me, I'll keep it real witchu  
Loving your whole schemes, it be in there boo  
On top of that you got the good Power-U  
I got a love jonz for your body and your skin tone  
Five minutes alone I'm already on the bone  
Plus I love the fact you got a mind of your own  
No need to shop around you got the good shit at home  
Even if I'm locked up North, you in the world rockin'  
Three-fourths of cloth, never showin' your stuff off, booIt be true me for you, that's how it is  
I can be your Noah, you can be my Wiz  
Then I can be your Sun, you can be my Earth  
Resurrect the God through birth, best believeYou're all that I need, I'll be there for you  
If you keep it real with me, I'll keep it real witchu

Loving your whole schemes, it be in there boo  
On top of that you got the good Power-U
